We are the Jackson | Mann

improving every day...join us!

Welcome to the Jackson | Mann K-8 School, home of the Jackson | Mann Tigers. We serve approximately 700 students from across Boston's neighborhoods. All of us are committed to all our students and are developing programs designed to grow and challenge them! We are all learners. Our staff works closely with families, community agencies, and our partners to ensure we meet student needs.

We believe every child will be successful academically, socially, and display age appropriate respectable behavior. Our community cares and we welcome you to the Jackson | Mann School. We invite you to grow and learn with us for together we improve every day!

"Education is the most powerful weapon which you can use to change the world."
Nelson Mandela

Values we live by at the Jackson | Mann

Every day at our school, all staff and students honor the **TIGER** values of...

Through these values, we are building a community of learners supporting one another.

We value your involvement in our school to build our community.

➡ Be sure to check us out at www.jacksonmann.org

➡ We need you on our Parent Council
Parents and JM school staff work together, exchange ideas, and help implement programs and incentives for students' progress.

➡ We need you to volunteer

▣ Help us with school wide events, classrooms' many projects, and on field trips

▣ Fund raising

Just sign up to volunteer. We need you!
